

Alba

Living area: 10~20 m²

Lightweight and capable. The mobile aircondition, Alba, with an A label in energy efficiency, keeps rooms nice and cool when needed, and comes with a window kit for easy mounting. The handles on both sides make it easy to move the aircon unit around. Set the 24-hour timer to start cooling in advance to make sure the room is perfect for when you need it. Alba's dehumidifying capacity is 17 liters. The aircondition unit can be controlled by the touch display or by the remote control.

UPGRADED
with wifi

Alba's Special Talents

- 7000 BTU
- WiFi
- Window kit included
- Self-evaporate system
- Energy Efficiency Rating Class A (2.61)
- Max. 65 dB(A)
- LED & Touch display with remote control
- Handle on top and all-dirction castors
- 24-hour timer
- Water-full indicator

Alba's Specifications		
Art. No.		2520
Max. working area m²		20
Recommended working area m²		10-15
Cooling Capacity Btu/h		7000 (2050 W)
Power supply V/Hz		220-240/50
Rated input (Cooling) W		780
Rated Current (Cooling) A		3.9
Energy Efficiency Rating (EER)		Class A 2.61
COP		-
Refrigerant		R290
Window kit included		Yes
Max. Noise Level dB(A)		≤ 65
Dehumidify Capacity L/day		17
Air Circulation m³/h		300
Net Weight kg		21
Gross Weight kg		23
Product Size (WDH) mm		305x328x678
Packing Size (WDH) mm		347x377x864
Loading Quantity	20' GP pcs	192
	40' GP pcs	408
	40' HQ pcs	612
